Summer Catalogue 2007

## Welcome to my Summer Collection 2007.

I am delighted to announce that my youngest daughter Alex, having graduated from Interior Design, is now assisting me with my collection.

Many younger women are looking for fine European fabrics with attention to detail in the shirts they wear.

We have extended our range to satisfy their needs.

This season we have introduced two new styles the Tuck Shirt in fine Italian linen and the Dinner Shirt in white Italian cotton. Both shirts are very versatile & easy to wear while maintaining our fine detail & style.

The Travel Range features easy to wear, lightweight and crease free key separates. Coordinate or contrast these simple and relaxed pieces in this season's easygoing black, white or camo.

I hope you enjoy our Summer Catalogue. We look forward to seeing you at one of our Spring/Summer Exhibitions (full details on back page) or at the shop.

Kind Regards  
Susan
