

Winter collection 2008
26 Queen Street Woollahra

Welcome to the Susan Holmwood 2008 Winter collection

For over 15 years Susan Holmwood has been designing and manufacturing in Australia her exclusive range of fine Italian linen and Italian cotton shirts. The highly regarded womens shirt specialist has recently moved her company from the small country town of Canowindra and has at last opened a Sydney store. The old Victorian terrace house at 26 Queen Street Woollahra has been redesigned to provide a rare and beautiful boutique style shopping experience that combines the contemporary glamour of the city with the warm sensibility of an Australian rural connection. The Susan Holmwood shirt designs express both these influences – A collection of modern classical shirts that present the perfect style for every occasion and every woman.

Susan would like to thank her valued customers for their ongoing loyalty and we look forward to further progression within the business to satisfy our customers for their ongoing loyalty and we hope you enjoy our 2008 Winter collection.
