Winter Catalogue

Welcome to my Winter Collection

THE KEY TO THIS SEASONS LOOK is to keep it simple, chic and sleek. The emphasis is on sharp, classic tailoring, with soft, feminine accessories for smart style with a unique twist. Team my asymmetrical Wrap Skirt with a crisp shirt in superfine check or city smart stripe and accent with the smooth-touch silk cashmere scarf. Or add a touch of individual style with my new Scrunched Scarf over the White Shirt or Business Shirt. For evenings, the Silk Shirt in classic cream is sleek and sophisticated with skirts or pants, while the popular Mandarin Collar Jacket in soft wool is perfectly cut to carry you from a business meeting through to lunch with friends.

I hope you enjoy this easy-to-wear collection - and we look forward to seeing you at one of our Exhibitions or at the Shop.

Kind Regards
Susan
